Dear Sir,

This is in continuation of our earlier communication dated 11<sup>th</sup> October, 2017 regarding Master procurement agreement ("Agreement") entered into with Hindustan Zinc Limited, a Public Limited Listed Company. Under the said Agreement, the Company was required to supply approx. 8250 MT of Copper sulphate over a period of 3 years based on issuance of schedule from various sites of Hindustan Zinc Limited.

Please note that based on communication requirement received from HZL, the quantity stands revised from 2250 MT to 3350 MT for the first year (October, 2017 to September, 2018). Hence, the total quantity of supply of Copper sulphate over a period of 3 years stands revised from 8250 MT copper sulphate to 9350 MT copper sulphate under the said Agreement.

It is hereby clarified that M/s. Hindustan Zinc Limited is not a related party of the Company. Moreover, none of the promoter or promoter group has any interest in the said entity.

This disclosure is under Regulation 30 of the SEBI (LODR) Regulations, 2015.

Please take note of same.

Thanking you,

Yours faithfully,
